### Company Overview

Apogee Leadership Group, LLC's core business is leadership and personal development training. We help to positively transform organizations by developing transformational leaders. The company does so via workshops, seminars, intact training, executive coaching, motivational speeches, and keynotes.

Apogee was officially established May 12, 2017. Mike Nwankwo, Founder & CEO, saw the need for developing stronger leaders with integrity and sound character in corporations, schools, churches, government, and other entities. With highly trained and engaged leaders, organizations can move from mediocrity to becoming best in class. Apogee has an edict to bring out the best in those with a desire to achieve.

### Founder's Background
