

The Maxwell Method of Masterminds

Learn and Grow Through the Power of Connecting with Like-Minded Leaders and Achievers

There is synergy of energy, commitment and excitement that participants bring to a mastermind group. My facilitated groups offer a combination of masterminding, peer brainstorming, education, accountability and support in a group setting to sharpen your business and personal skills. By bringing fresh ideas and a different perspective, my masterminds can help you achieve greater success.

Key Benefits of a Mastermind Group:

- Increase your own experience and confidence
- Sharpen your business and personal skills
- Add an instant and valuable support network
- Get honest feedback, advice and brainstorming
- Borrow on the experience and skills of the other members
- Study Leadership, Communications and Growth principles/practices in a group setting, create an action plan and have the group hold you accountable for fulfilling your plan and goals.
- Receive critical insights into yourself
- Optimistic peer support in maintaining a positive mental attitude • A sense of shared endeavor – there are others out there!
